ServiceLink Valuation Solutions, LLC's ("ServiceLink") Broker Price Opinion offers an opinion derived from analysis based on inspection of the subject property and analysis of the local market data as performed by a licensed real estate professional. Information in this report may be gathered from multiple sources, including, but not limited to, multiple listing services (MLS), public records, public records data services, city/county office websites, proprietary files, mapping services, or may be provided by the client. In some cases, information on the subject property may be limited or unavailable, and, in some instances, may be derived from an inspection of the property. The information provided assumes, unless otherwise stated in this report, the subject property is in average condition, contains no health, safety, environmental, structural, or title related defects, the real property interests are fee simple, and the information relied upon is accurate. This report is based upon data that is deemed generally acceptable for products of this type. The analysis of an interest in real property for ownership or collateral purposes is prepared for the above named client only. The intended use is to assist the designated client in making an independent, internal decision regarding the subject property. The use of this report by anyone other than the client for any purpose is not permitted or authorized by ServiceLink, including its subsidiaries and affiliates. Any other use of this report by any other party is prohibited. This report is not an appraisal. This report is provided "AS IS," and no guarantee or warranty is provided. ServiceLink will not be liable for any loss, damage, or injury arising out of, or in conjunction with, the client's utilization of the information contained in this report. If this report is intended to be used for "lending collateral analysis" or "default collateral analysis," the loan transaction value must be less than $400,000.00. (Rev. 04/2025)

Notwithstanding any preprinted language to the contrary, this report is not an appraisal of the market value of the property. If an appraisal is desired, the services of a licensed or certified appraiser must be obtained.
